Episode #44:

- Going Once, Going Ice, Cold

Scripts:

Narrator: With the long-awaited challenge finally at hand at Mahogany Town, Ty steps into his next gym battle to obtain his next badge for the Pokémon League.
Ty and Teddiursa arrives at Mahogany Gym building, looking ready and hyped

Ty: **Hyped up** This is it, buddy! Our next gym battle with Pryce is awaiting us!

Teddiursa: **Excited** Teddiursa!

Ty: **Happy** You bet that we're both ready.
Ash and his gang arrived after Ty

Lillie: **Smile** You sure look very ready since yesterday.

May: Yeah. You've especially trained hard for this.

Ty: Hey, I made a good process for this. And Manaphy is still happy since we rescued him from Team Skull.

Manaphy: **Appreciative** Manaphy.

Sarah: I'm sure that you'll win against him today.

Patton: Pryce is known as the ice-man for a reason. His Pokémon are masters of defensive positioning and freezing counter-attacks.

Ash: Yeah, you can't afford that.

Patton: But the question is...are your pokemons strong enough to defeat Pryce in the gym battle like this?

Ty: **Smiles confidently** I know it will be, but this battle will prove my skills after that.

Raye: He's right. He's been through everything. He never stops to his true goal.

Patton: That's cool. Pryce is one of the most experienced Gym Leaders you'll ever have.

Ash: Exactly. When I challenged him during my journey, he pushed me harder than I expected.

Avery: So he doesn't rely only on powerful Pokémon?

Jonah: No. He battles with patience along with experience, and strategy.

Max: Sounds like Ty's in for a real challenge.

Dawn: Definitely it is. He made it so special.

Sakura: That just makes the victory even more meaningful if he wins.

???: And that's what makes it perfect.
Suddenly, doors of the gym building, revealing to be Pryce's referee, Sheila

Ash: **Smile** Wow! Sheila!

Pikachu: **Happy** Pikachu!

Ash: **Smile** It's nice to see you again.

Sheila: **Smile** And it's wonderful to see you again too, Ash.

Dawn: **Smile** Looks like you've known each other well.

Ash: Yeah, she's the referee for Pryce during the battle.

Sheila: That's right. And you made some new friends with them.

Ash: Yep, these guys are new, and some of them are my companions from after.

Pikachu: Pika Pika.

Sheila: That's some wonderful friends you have. I'm Sheila, nice to meet you.

May: A pleasure is ours.

Sheila: And you must be Ty, correct? Pryce told me that you're battling with him today.

Ty: Yes, and I'm ready when I see him.

Teddiursa: Teddiursa.
Then, Pryce walks calmly toward the entrance with Dewgong beside him

Pryce: **Smile** Ahh, you made it just in time.

Ty: Hey, Pryce.

Pryce: It is good to see you again. I see that you are ready to face me.

Ty: Yes, sir. I'm well prepared for the trials.

Pryce: Very good then.

Sakura: He's giving what he has.

Ash: He'll definitely win this.

Pikachu: Pika Pika.

Max (Narrator): Going Once, Going Ice, Cold!
Ash and his friends enters Pryce's gym building for Ty's battle

Avery: Whoa, it's even colder inside.

Dawn: I can feel it too, but it's beautiful.

Ash: Just like Pryce takes excellent care of them.

Pikachu: Pika Pika.

Ty: Wait, you have other pokemons with you?

Pryce: Yes, they feel comfortable when they see you here.
Then they see a group of pokemons in the water arena

Max: Hey, Look. It's Lapras, over there.

Ty: Wow.
Ty checks Lapras on his pokedex

Pokedex (Voice): *"Lapras, a Transport Pokémon. This intellectually advanced Pokémon is capable of understanding human language. Due to its gentle temperament, Lapras prefers to transport humans on its back rather than take part in Pokémon battles."*

Jonah: Wow, it can also carry anyone for a ride.

Ty: Cool, I want to ride on it sometimes.

Lapras: **Humming softly**

Togepi: Togepi.

Manaphy: Manaphy.

Max: Hm?

May: Careful, Manaphy.

Togepi: Togepi.

Manaphy: Mana.

Lapras: **Humming softly**
Lapras lowers its head slowly, and lets out a soft, melodic breath of cool air to greet the tiny Pokémon. Togepi giggles, gently patting Lapras's snout with its tiny hand

Max: **Chuckles** He's making good friends with them.

Ash: **Smile** Togepi could charm an Ice-type so easily.
Avery kneels down, extending a hand to let the Seel sniff it before gently petting its smooth, white head

Avery: **Smiling while petting Seel's head** Hey there, You must love it here, huh? Your coat is so smooth.

Seel: **Happily** Seeeel.

Dawn: **Smile** Careful, Avery. If you get too distracted petting the local Pokémon.

Lillie: Dawn's right! They could be uncomfortable if they don't like it.

Avery: **Smile** Hey, don't worry. I just want to make sure they are truly friendly.

Sheila: Many pokemons are comfortable as they encounter anyone to communicate with.

Raye: Yeah, even for a lucky trainer to have.
As the gang walks in, Sakura was looking around the familiar arena

Ash: You remember everything, Sakura?

Sakura: **Smile** Yeah. Just walking back in here brings back so many memories. I can't believe I'm actually back in Mahogany Town after my own Gym battle with Pryce during my journey. Everything looks exactly the same.

May: It really is a stunning arena, isn't it?

Ash: Although looking at all that ice makes me shiver all over again.

Pikachu: Pikachu.

Dawn: That's because you came here before, Ash.

Ash: I know, but I had a great time.

Ty: And as for me, is to earn my next gym badge

Raye: Before we head out there and things get intense, do you need any advice on how to win this? We've all seen how tricky Ice-type Gyms can be.

Ty: **Smile** I appreciate it, Raye, but I'll figure out how to handle the outcome.

Teddiursa: Teddiursa.

Avery: **Curious** Oh yeah? What makes you so sure?

Ty: I'm remembering the advice Victor gave me yesterday before we compete with each other at the upcoming league.

Flashback

Victor: Don't let your guard down against Pryce. If you want to catch up to me, you'll have to earn that badge first. Got it?

End of Flashback

Patton: So your rival friend sent you some advice for you before he left?

Ty: He told me that trusting your Pokémon's instincts and staying adaptable is the key to overcoming any obstacle, no matter how cold or tough it looks. Teddiursa and I are totally in sync.

Teddiursa: **Pounding its chest fiercely** Teddi-ursa!

Pryce: **Calm smile** Confidence is a powerful shield, young challenger. But let us see how it holds up against the biting reality of the frost. Follow me.
Pryce leads the group through the final set of archways, directly onto the massive battlefield

Max: Whoa, look at that! The entire field is completely covered in solid ice!

Raye: That looks so cool.

Sarah: Wait a second, is that a pool right in the middle of the ice field? How is a battle even supposed to work with that layout?

Ash: Pretty wild layout, right? Don't worry, guys, I fought on this exact battlefield before during my own journey.

Jonah: You actually battled on this setup, Ash? A combination of other types?

Ash: You bet! Pryce doesn't just make you fight an Ice-type; he forces you to adapt to a shifting environment where footing is everything.

Ty: **Impressed** Hmm, the battlefield with the shifting environment? I'll take it.

Teddiursa: Ursa.

Pryce: Now then, are you ready to battle against me, Ty?

Ty: **Excited** I'm totally ready, Pryce. When I'm ready, I'm always ready.

Patton: And his skills from yesterday that he fought was amazing. He did improve that he's a professional trainer.

Sheila: **Smile** All right then, please take your position.

Ty: Let me pick my pokemon to choose first.

Sheila: **Smile** Take your time.
Ty chooses to pick his Pokémon for his battle against Pryce. He looks down at them thoughtfully before making his final choice for the two-on-two matchup

Ty: Alright. For this two-on-two battle against Pryce.

May: Who are you picking? I'm sure you're choosing Teddiursa.

Ty: Yep, I'm taking my best buddy to battle. And my last pick is Gyarados.

Ash: That's a pretty good choice.
After Ty chose his pokemons for battle, Patton gorws concern on Ty

Patton: **Concern** Wait a second. Gyarados is a Water and Flying-type, and Teddiursa is Normal-type. Are you sure that's a good idea against an Ice-type Gym, Ty?

Ty: **A bit confused** Is there a problem?

Patton: Well, Ice moves are super effective against Flying types, and... well, water freezes!

Ash: **Smiling, crossing his arms approvingly** Don't count them out, Patton. Ty's Gyarados has some serious power, and pairing it with Teddiursa's agility might just give them the unexpected edge they need.

Ty: **Confident grin** I know it sounds like a risky mix, but I'll make a solid plan of strategy to win this. Trust me and my Pokémon.

Sarah: His words are true. My cousin will win by using his strategy.

Sakura: It doesn't matter if it's difficult or not, he learned more on his adventure since he started.

Patton: **Smile** I suppose you're right on that part, but sure.

Sheila: Are you ready to accept Pryce's challenge?

Ty: Ready when you are!
In the battlefield, Ty, and Pryce stand firmly on their respective positions, locked in a tense exchange of glances across the glittering ice sheet

Sarah: Look at him, Ty's completely amazed by the atmosphere, but there isn't an ounce of nervousness in him.

Max: He's so totally in his element.

Avery: That's Ty for you. Once he sets his mind on a goal, nothing can shake his focus.

Ash: Not even a gym made entirely of ice.

Sheila: The Mahogany Gym battle between Gym Leader Pryce and challenger Ty is now officially underway! Are you two ready?

Ty & Pryce: **Nodded**
Both of them were ready in position, the battle started

Sheila: Begin!

Ty: Let's start this off right! Go, Teddiursa!

Teddiursa: Teddiursa!

Pryce: Show them the weight of our winter, Piloswine!

Piloswine: **Deep grunt noise**

May: Look, he sent out Piloswine to battle.

Dawn: That should make a good battle.

Manaphy: Manaphy

Ty: Okay, Teddiursa, close the distance fast and use Fury Swipes!

Teddiursa: Ursa!

Pryce: Piloswine, avoid the attack by dodging!

Piloswine: **Deep grunt noise**
Teddiursa dashes forward across the slippery ice at high speed, its claws glowing with sharp energy against Piloswine. With surprising agility for its size, it subtly shifts its weight, side-stepping the flurry of blows entirely as Teddiursa's claws swipe harmlessly through empty air

Ty: **Surprised** Huh!?

Teddiursa: **Surprised** Ursa!?

Pryce: Now, counter it with Take Down.

Piloswine: **Deep grunt noise**

Teddiursa: **Being hit**
Before Teddiursa can recover its footing on the ice, Piloswine charges forward like a freight train, crashing directly into Teddiursa with immense, bone-rattling force

Teddiursa: Ursa!

Ty: Hang on, buddy! You can still fight!

Teddiursa: Ursa.

Patton: Look at Piloswine counter Teddiursa fast.

Lillie: **Amazed** Piloswine moved so fast, and the power behind that attack was incredible.

Raye: Especially right after avoiding Teddiursa's move.

Sakura: It's not just speed. It's using absolute pressure to control the flow of the match.

Max: Which means that it's forcing Ty's Pokémon off balance without wasting a single movement.

Ash: Pryce's experience is showing. He's making the cold work for him while putting Ty right on the defensive.

Pikachu: Pika.

Togepi: Togepi.
As they observe Ty and Pryce's strategies, their battle resumes

Ty: **Hyped up** We're ready to resume the battle.

Pryce: That's more like it. Piloswine, use Blizzard!

Piloswine: **Deep grunt noise**
Piloswine unleashes a ferocious, howling gale of blinding snow, the entire battlefield is swallowed by a dense, swirling whiteout, completely obscuring both Pokémon from view

Ash & his friends: **Amazed**

Patton: **Amazed**

Ash: Man, I remember that move all too well. Pryce's Blizzard completely shuts down your vision and drains your energy.

Avery: You can't even see two feet in front of you. How is Ty supposed to counter an attack when he can't see where Piloswine is?

Ty: Where is it? Can you see it, buddy?

Teddiursa: Ursa.
Before the snowstorm can fully clear, a heavy rumble echoes through the ice. Emerging ghost-like from the heart of the swirling white blizzard, Piloswine suddenly materializes right beside Teddiursa

Teddiursa: Ursa!?

Ty: What!?

Pryce: Piloswine, Take Down once more.

Piloswine: **Deep grunt noise**

Teddiursa: **Being hit**

Ty: Teddiursa!
Piloswine slams squarely into Teddiursa a second time, sending the small Normal-type skidding violently across the frozen rink until it crashes near the edge of the central pool

Ash & his friends: **Shocked**

Patton: **Shocked**

Sarah: Oh no, it took another massive hit!

Patton: Is Teddiursa going to be okay?!
Teddiursa uses its paws to haul itself back up onto its feet, and refuses to stay down

Teddiursa: Teddiur...sa.

Ty: **Smile** All right, buddy.

Pryce: **Respectful smile** Impressive, Ty. The pressure of the reality of temperature is absolute. The environment will master you once you've learned.

Ty: **Determined smile** I know the environment of my training.

Teddiursa: Teddiursa.

Ash: Look at Teddiursa, it's not panicking anymore.

May: It's standing completely still, listening to the shifting environment instead of fighting against it.
After Teddiursa refuses to back down, they continue their battle against each other

Pryce: **Raising his hand calmly** All right, Piloswine, use Fury Attack!

Piloswine: **Deep grunt noise**

Ty: Now, Teddiursa! Slip through the opening and use Fury Swipes!

Teddiursa: Teddiursa! Ursa!

Piloswine: **Being hit**
Piloswine charges across the slick ice, jabbing its sharp tusks forward in a rapid, relentless series of piercing strikes directly at Teddiursa. Instead of dodging backward, Teddiursa waits for the exact split-second Piloswine commits to a jab, sliding gracefully under the massive tusks across the ice. As it glides past, Teddiursa's paws glow with sharp, ferocious energy, slashing directly across Piloswine's flank with a flurry of rapid claw strikes

Raye: **Amazed** Look at Ty's concentration.

Sarah: **Amazed** Teddiursa's making a good strike.

Ty: **Pumping his fist** Perfect! Keep the pressure coming, buddy!

Teddiursa: Ursa!
Pushing off the ice with a burst of athletic speed, sprinting straight toward the giant Pokémon

Pryce: A daring approach. Piloswine, meet that charge with Take Down!

Piloswine: **Deep grunt noise**

Ash & his friends: **Surprised**

Patton: **Surprised**

Max: Piloswine is charging directly at Teddiursa!
Snorting a cloud of frosty breath, tucking its head down to plow through the ice. Piloswine rockets forward like an avalanche, aiming to crush Teddiursa under its massive weight. Ty made his plan on time

Ty: Now, Buddy, jump!

Teddiursa: Ursa!

Piloswine: **Deep grunt noise** !?

Pryce: Hm!?
Teddiursa successfully jumps up high, avoiding Piloswine's heavy charge sails harmlessly underneath

Ty: Great one, buddy! Payback, now!

Teddiursa: Ursa!

Piloswine: **Being hit**
While suspended in mid-air above Piloswine, Teddiursa's body glows with a dark, concentrated aura of stored energy. As it descends, it unleashes a devastating, powered-up strike directly onto Piloswine's back

Lillie: **Amazed** Teddiursa's counter attack was incredible!

Jonah: Piloswine's attacked first earlier, then Teddiursa's payback power was doubled.

Patton: That was excellent timing for Teddiursa.

Ash: Ty turned Piloswine's own momentum against it.

Pikachu: Pikachu.
Piloswine struggles to push itself back up to its feet, panting heavily from the accumulated damage

Pryce: **Smile** You have learned well how to bend with the wind, young challenger. Rest for a while, Piloswine.
Piloswine turns back into energy, returning safely to its pokeball

Sheila: You're switching to your next pokemon, right?

Pryce: Yes. Let us see how your momentum handles the fluid grace of the deep winter. Come forth, Dewgong!

Dewgong: Dewgong!

Ty: **Amazed** Oh wow, a Dewgong!

May: It's that pokemon from yesterday who saved Manaphy.

Avery: He's a true hero of the day.

Manaphy: Manaphy.

Sheila: Resume battle!

Ty: Stay completely focused on the battle, buddy! Use Feint Attack!

Teddiursa: Teddiursa!

Pryce: Dewgong, dive in the water!

Dewgong: Dewgoooong!
With a swift splash, Dewgong plunges straight down into the cold, clear water pool located right in the center of the battlefield, vanishing completely beneath the surface. Teddiursa's Feint Attack cuts through empty air, leaving it standing near the pool's edge looking around in confusion

Teddiursa: Ursa!?

Ty: Huh!?

Sarah: **Eyes wide** It went right into the water!

Max: Where did Dewgong go!?

Ash: That's Pryce's strategy with the water pool layout. Dewgong is diving beneath the surface to set up a surprise attack from a blind spot.

Lillie: So Ty can't tell where it's going to appear.

Ty: **Paying attention quickly** Stay on guard, Buddy! It could come up anywhere!

Teddiursa: Ursa.
Teddiursa lowers its stance, its ears twitching as it listens intently to the faint ripples disturbing the glassy surface of the indoor pool

Pryce: This gym is testing every trainer. Dewgong, emerge!

Dewgong: Dewgong!!

Ty: **Surprised** Ahh!

Teddiursa: **Surprised** Ursa!?
Suddenly, Dewgong emerges from the water in front of Teddiursa

Pryce: Now, Dewgong! Strike with your Ice Beam!

Dewgong: Dewgoooong!!

Teddiursa: **Being hit**

Ty: Teddiursa!!
In a fraction of a second, Dewgong unleashes a blistering, point-blank beam of freezing energy directly at Teddiursa engulfing in a thick sheath of frost and crystal, throwing it backward across the slick ice until it skids to a complete halt near the trainer's box, sending up a flurry of sparkling snow

Teddiursa: **Fainted** Ursa...
The white light fades, and Teddiursa lies motionless on the ground, fainted

Sheila: Teddiursa is unable to battle! Dewgong wins this round!

Pryce: **Smile** Well done, Dewgong. You did good in this battle.

Dewgong: Dewgong!
Ty carries Teddiursa, making his proud despite he lost the round

Ty: You did a great job, buddy. I'm happy for you.

Teddiursa: Teddiursa...

Pryce: Your Teddiursa fought with admirable courage, it adapted well.

Ty: Thank you, Pryce.

Raye: Teddiursa gave it everything it had.

May: He did battle really well despite the fact that he lost.

Jonah: He did, but the battle is not over yet since he has one Pokémon with him.

Sheila: Are you ready to resume your battle, Ty?

Ty: I'm ready.
Ty's holding Gyarados's Poké Ball, preparing to send him out

Ty: It's our turn now! Show them our power, Gyarados!

Gyarados: **Roaring**

Patton: Gyarados is a powerhouse to battle Dewgong.

Jonah: But can it really handle an Ice-type Gym like this since Gyarados is a flying and water type?

May: Don't worry, Jonah. Gyarados has a massive raw advantage when it comes to strength and speed in the water.

Avery: If Ty plays his cards right, Gyarados can turn that pool into its own playground!

Manaphy: Manaphy.

Ty: *(All right. I'm making a plan to win this battle!)*

Sheila: Begin battle!

Ty: Let's go, Gyarados! Dive into the water!

Gyarados: **Roaring**
Roaring in agreement, surging forward and plunging straight into the central pool with a massive splash

Pryce: A bold move, young man. Dewgong, dive in the water!

Dewgong: Dewgong!!
Dewgong follows Gyarados by diving beneath the surface

Max: Gyarados and Dewgong just dived into the water!

Patton: Is Ty planning on something?

Sakura: They're going to have to rely on their instincts.
Beneath the clear blue water of the pool, Dewgong accelerates with sleek hydrodynamic grace, with hardened power as it rockets straight toward Gyarados

Ty: Gyarados, evade it right now! Use your speed!

Gyarados: **Roaring**

Dewgong: Dewgong!?
Before Dewgong can make an impact, Gyarados twists its massive serpentine body with astonishing agility, executing a sharp barrel roll underwater that causes Dewgong's Headbutt to sail right past harmlessly into empty water

Pryce: **Surprised**

Raye: Quick reflexes!

Ty: Now, counterattack with Iron Tail!

Gyarados: **Roaring**

Dewgong: **Being hit**
With a blinding flash of kinetic force, Gyarados swings its heavy, glowing tail around in a sweeping arc beneath the surface, catching Dewgong squarely in the side and sending the sleek Pokémon shooting straight up out of the water

Dewgong: Dew!!

Pryce: Dewgong!

Dewgong crashes hard back onto the solid ice of the field, skidding across the rink before coming to a halt

Max: Ty's Gyarados is really focused now.

Lillie: He's paying attention to every movement Pryce makes.

Sarah: He's not rushing anymore.

Jonah: He's thinking before giving every command. That's what he needed to do.

Dawn: Instead of fighting against the environment, he’s making Gyarados use every single bit of space on the field!

Patton: He isn't giving Pryce any room to breathe!
On the battlefield, DEWGONG quickly shakes off the impact of the Iron Tail and gracefully glides back into the central water pool, surfacing swiftly on the opposite side

Pryce: Do not let up, Dewgong. Counter Gyarados with your Ice Beam!

Dewgong: Dew-GOOOONG!
A jagged, freezing beam of crackling ice energy erupts from Dewgong, shooting straight across the water toward Gyarados

Ty: Dive underwater, Gyarados!

Gyarados: **Roaring**

Dewgong: Dewgong!?

Pryce: Impossible!
Suddenly, Gyarados immediately dives beneath the water. The Ice Beam passes harmlessly over the pool

Patton: It dived again!

Ash: Ty knew exactly when to call it!

Dawn: And he's anticipating Pryce's attacks now.

Pryce: Stay focus Dewgong.

Dewgong: **Nodded** Dewgong
Ty is focusing by giving a call to Gyarados for a counter

Ty: *(Wait for it…)* …Now, Gyarados!
Gyarados erupts out of the depths like a rising tsunami, its tail wrapped in a roaring vortex of pressurized water

Gyarados: **Roaring**

Pryce & Dewgong: **Surprised**

Ty: Go, Gyarados! Strike your attack with Aqua Tail!

Gyarados: **Roaring**

Dewgong: **Being hit**
The devastating Aqua Tail connects dead-on, smashing Dewgong backward into the air and disrupting its balance completely

Ash: Wow!

Jonah: That was perfect!

Ty: Finish it right now with Iron Tail!

Gyarados: **Roaring**

Dewgong: **Shocked** Gong! **Being hit**
Before Dewgong can even hit the ground, Gyarados flips in mid-air, its long tail hardening into a gleam of solid metallic silver once again

Ash & his friends: **Surprised**

Pikachu, Teddiursa, Manaphy & Togepi: **Surprised**
With a thunderous crack, the Iron Tail slams squarely into Dewgong, sending the Ice/Water-type crashing hard onto the icy floor of the battlefield. A cloud of snow and shattered ice dust clears, Dewgong lies motionless on the frosted ground with swirly eyes

Dewgong: **Fainted**

Sheila: Dewgong is unable to battle! Gyarados wins!

Ty: **Amazed** All right! Good job, Gyarados!

Gyarados: **Growling calmly**

Ash: He did it.

Pikachu: Pika Pika!

Sarah: My cousin turned the whole battle around!

Patton: Gyarados's attack was incredible!

May: Gyarados used the water perfectly with every command so carefully.

Dawn: He really learned from the earlier attacks.

Manaphy: Mana.

Sakura: His strategy has completely changed the momentum.

Pryce: You did good, Dewgong.
Pryce recalls Dewgong and looks toward Ty with his smile

Pryce: **Smile** Your focus has improved considerably.

Ty: **Smile** Thank you. And we know that you're sending out Piloswine.

Pryce: **Smile** That's correct, young man.
The score stands even at one win apiece, the tension in the chilled arena hanging thick in the air as Pryce steps forward, holding his final Poké Ball of Piloswine

Pryce: This is your last chance, Piloswine. Come on out!

Piloswine: **Deep grunt noise**

Avery: Looks like Pryce sent out Piloswine once again.

Lillie: Yeah, but I'm not sure if Piloswine can continue.
Piloswine was in position against Ty's Gyarados in the conclusion of the battle

Sheila: Commence battle!

Ty: **Clenching his fists with determination** Let's finish the battle quickly, Gyarados! Use Hydro Pump!

Gyarados: **Roaring**

Pryce: Piloswine, use Blizzard!

Piloswine: **Deep grunt noise**
Gyarados unleashes a colossal, high-pressure column of water straight while Piloswine unleashes his freezing gale and collides directly with the incoming Hydro Pump. In a breathtaking flash of sub-zero energy, the massive wall of water instantly freezes mid-air, transforming the torrent into a towering, solid pillar of glittering ice

Ty: **Eyes widening** !?

Jonah: **Surprised** It froze the Hydro Pump solid?!

Dawn: **Surprised** It can countered that attack!

Pryce: Now. Shatter through it with Fury Attack!

Piloswine: **Deep grunt noise**

Gyarados: **Being hit**
Piloswine smashes right through the newly formed ice wall, using the shattered fragments to propel itself forward out of the smoke and dust, lunging straight at Gyarados with a flurry of vicious, piercing tusk strikes

Patton: **Wide eyes** No way! Piloswine turned Gyarados's own attack against it by freezing it into a wall,

Dawn: Pryce uses the environment as an extension of his own Pokémon. By freezing the Hydro Pump, he didn't just block the attack, he created a barrier and a springboard all at once.

Max: She's right. Using the ice's density to give Piloswine the momentum it needed to break through instantly.

Ash: Exactly. Pryce isn't just fighting with moves; he's orchestrating the whole battlefield like a chessboard.

Pikachu: Pika.

Lillie: Ty's got to find a way around that absolute frost before Piloswine overwhelms them.

Raye: He has to think of his next move or he'll lose the battle for nothing.

Teddiursa: Teddiursa.
Gyarados and Piloswine face each other for the decisive exchange

Ty: *(There's got to be a way to defeat Piloswine. I have to think quickly. Wait?)*
Before Ty can make his move, he noticed the ice floors on the field

Ty: *(That's it! The ice floors!)* All right, Gyarados, be ready.

Gyarados: **Growling**

Pryce: I see that you're ready to resume the battle. Piloswine, use Fury Attack!

Piloswine: **Deep grunt noise**
Piloswine charges across the frozen battlefield toward Gyarados

Ty: **Focused**

Max: Ty is focusing on something.

Ash: I noticed it.

Max: Hm?
As Piloswine prepared to attack Gyarados, Ty makes his call

Ty: Now, dive into the water!

Gyarados: **Roaring**
Gyarados suddenly plunges beneath the surface, causing Piloswine's Fury Attack to miss

Piloswine: **Surprised**

Pryce: **Surprised**

Sakura: It dodged!

May: Ty knew exactly what to do!

Ty: Now's my chance to counter+ Gyarados, come up from underneath and use Dragon Rage!

Gyarados: **Roaring**

Piloswine: **Surprised & being hit**
Gyarados bursts out of the water and unleashes Dragon Rage. The attack strikes Piloswine and sends it backward toward the ice pillar frozen debris

Piloswine: **Deep grunt noise**

Pryce: Piloswine, Hang on!

Piloswine: **Deep grunt noise**
Piloswine loses its footing and becomes stuck among the large pieces of ice scattered across the battlefield

Patton: Piloswine is trapped!

Ash: Awesome!

Pikachu: Pika!

Teddiursa: Teddiursa!

Ty: This is it! Iron Tail, now!

Gyarados: **Roaring**

Piloswine: **Being hit**

Pryce: **Shocked**
Gyarados swings its powerful tail, striking Piloswine with Iron Tail, knocking away from the ice debris and lands safely on the battlefield, unable to continue

Piloswine: **Fainted**

Sheila: Piloswine is unable to battle! Gyarados wins! And the winner of this match goes to Ty from New Bark Town!

Ty: **Happy** Yes!! We won, Gyarados!

Gyarados: **Roaring in victory**

Ash, Max, Patton & Lillie: **Happy**

Pikachu, Teddiursa, Manaphy & Togepi: **Happy**

Avery: Ty won!

Jonah: He did it!

Raye: That was amazing, Ty!

May: What a comeback!

Dawn: That was such a clever strategy!

Sakura: Great job, Ty.

Sarah: That's my cousin.
After Piloswine lost, Pryce comforted his Pokémon with his smile

Pryce: You did good today, Piloswine. I'm very proud of you.
The gang gathers up together by congratulating Ty

Patton: That was an awesome battle, Ty! You actually planned for that!

Ty: Thanks, Patton.

Sakura: Pryce used Piloswine's own movement and the ice debris to limit its escape.

Raye: You really turned the whole battlefield around and advantage.

Ash: And I noticed that he was paying more attention during the battle. You really nailed it.

Pikachu: Pikachu.

Ty: That's why I'm really good at focusing. You did great out there, buddy.

Teddiursa: **Being patted in the head by Ty** Ursa.

Sheila: Congratulations, Ty.

Pryce: You did a fantastic move on the battle with me, young man. I'm very happy about that. You have earned this victory.
Pryce presents Ty with a Glacier Badge

Ty: **Happy** Wow, cool! Hahahaha! I received this Glacier Badge!

Teddiursa: **Happy** Teddiursa!

Ash & his friends: **Applauding**

Dawn: **Smile** Nice work, Ty.

Ty: **Smile** Thanks, Dawn.
The sun is beginning to set, casting a warm glow over the town. Ash and his friends have their backpacks ready as they prepare to continue their journey

Sheila: **Smile** So you're heading out to your next gym battle?

Ash: **Smile** Yes we are. We're heading to Blackthorn City.

Ty: Yeah. And this will be my final gym battle before I'll compete in the Indigo Plateau.

Raye: I can't wait to see what happens at the Blackthorn Gym.

Lillie: It's going to be an exciting challenge.

Sakura: **Smile** You'll find out once we get there.

Jonah: After today's battle, you're more determined than ever.

Ty: **Smile**
Pryce approaches the group as they prepare to leave

Pryce: **Smile** Ty. Before you depart, I wanted to thank you for the excellent battle today. Thank you for accepting my challenge.

Ty: **Smile** Thanks, Pryce. I had a great time with you.

Pryce: Remember what you learned here. Strength is valuable, but a great trainer must also know when to observe, adapt, and change their strategy.

Ty: I'll remember that.

Pryce: Ash, Pikachu. It was good seeing you again. And congratulations once again on your tournament victory.

Ash: Thanks.

Pikachu: Pika Pika.

May: We should head out to Blackthorn City right away.

Ash: Yeah. We're leaving now.

Sarah: Bye Pryce.

Sheila: Good luck on your journey!

Pryce: Safe travel everyone!

Patton: It was nice meeting all of you!

Piloswine: **Deep grunt noise**

Teddiursa: Teddiursa!

Togepi: Togepi!

Manaphy: Mana!

Narrator: With Ty's seventh Gym Badge secured, Ash and his friends bid farewell to Mahogany Town and set their sights on Blackthorn City. Ty's final Gym challenge is approaching, and the road to the Pokémon League has never felt closer!

(Pokemon Master Revolution Theme Song Plays. Outro:)
I've become the very best

That no one ever was
I've traveled regions and caught some more and now it's time to rest.
Not so fast, here comes some more
And new friends too and they got some things to do
I'll teach them, all the things I've learn about
Pokemon, gotta catch em all, gotta catch em all
I guess it's true and my friends are with me too
It is time for a brand new journey and Pokémon gotta catch em all
Gotta catch em all
